

Small Business of the Month Ted Quinn Painting, Inc.

Longtime Gainesville resident Ted Quinn began painting at the age of 16 with his mentor Walter Thraillkill. In his early 20's, he began his own business.

Ted is experienced in churches, schools, hospitals, retirement communities, retail centers and small businesses. Focusing on commercial and industrial painting, Ted's latest projects include North Hall High School, Sosebee & Britt, ADAC, University of North Georgia and many medical office buildings. He serves as a painting contractor for Carroll Daniel Construction Company and Tipton Construction, and all projects are serviced with sustainability in mind. All products used are low Volatile Organic Compounds (VOC) with LEED certified options available. Ted Quinn Painting is EPA Lead-Safe certified and satisfies requirements following the Georgia Lead Poisoning Act and the Lead-Based

Paint Hazard Management. Ted Quinn Painting is certified to perform lead-based paint renovation activities in Georgia under certification. Ted Quinn Painting also provides expert service in all areas of residential painting, new construction and remodeling. Ted Quinn Painting, Inc, 678-908-6496. tedquinnpainting.com
